That Morning Lameness.

If you are lame every morning and suffer urinary ills, there must be a cause. Often it's weak kidneys. To strengthen the weakened kidneys and avert more serious troubles, use Doan's Kidney Pills. You can rely on this testimony.

T. E. Higgins, farmer, Mineral Point, Mo., says: "I had a lame back and sharp pains across my kidneys. I couldn't rest well and in the morning was stiff and lame. I had to pass the kidney secretions too often. Doan's Kidney Pills removed the lameness in my back and regulated the passages of the kidney secretions. They were the best kidney medicine I had ever used."

Price 60c. at all dealers. Don't simply ask for a kidney remedy — get Doan's Kidney Pills — the same that Mr. Higgins had Foster Milburn Co. Mfgs. Buffalo, N. Y.

Five Laid in One Grave.

The funeral of the Westover family, including John Westover, aged 30 years, his wife, aged 28 years, their oldest child, Pauline, aged 9 years, Alberta, aged 7 years, and Mabel, aged 6 years, was held at the Woodman Cemetery near Three Rivers, north of Farmington, Tuesday afternoon, and was conducted by Rev. J. N. Sinton, assisted Revs. Kincaid and Davis. Probably the largest crowd ever assembled at a funeral service in this county was in attendance on this unusually sad occasion, the like of which had not been witnessed in this community before.

The five caskets were lowered into one large grave, the father first, then the mother, followed by the three little daughters. The two youngest children, both boys, five and two years of age, have been seriously ill, but are recovering. — Farmington News.

IRRITABLE NERVOUS

Was Condition of Indiana Lady Before Beginning to Take Card-u, the Woman's Tonic.

Kokomo, Ind.—Mrs. H. Hankemeier, of this town, says: "I look so well, and am so well, that it does not seem as if I ever needed Card-u. But I was not always this way . . . I think I have taken a dozen bottles . . . before my little girl came."

I was feeling dreadfully bad, had headache, backache, sick at my stomach, no energy . . . I was very irritable, too, and nervous.

I began taking Card-u about 6 months before my baby came. As a result all those bad feelings left me, and I just felt grand, just as if nothing at all was the matter, and when the end came I was hardly sick at all.

Since that I have never taken Card-u at all . . . It has done me good, and I know it will help others, if they will only try it."

Many women have written grateful letters like the above, telling of the good that Card-u has done them. Why should it not help you, too? If you suffer from any of the ailments so common to women, and feel the need of a safe, reliable, strengthening tonic, we urge you to begin today and give Card-u a fair trial. Your dealer sells Card-u.

It appears that the members of the Modern Woodmen will have to face an increase of something like one hundred percent in assessment rates before long. It was announced by the head officer of the order last week that the payment of death losses due to the war and the influenza and pneumonia epidemics had so shaken the finances of the order that only a heavy increase in the rates can keep it from falling apart.

SINCE I HAVE NEVER TAKEN CARD-u ALL . . . IT HAS DONE ME GOOD, AND I KNOW IT WILL HELP OTHERS, IF THEY WILL ONLY TRY IT.

Hon. B. H. Marbury of Farmington was in Ironton Monday on the lookout for his fifteen-year-old son, who with another boy from Farmington, ran away from home last Saturday. While here Mr. Marbury ascertained that the boy had been at Hogan Saturday night and he took the train south Monday noon to prosecute the search. The boys had provided themselves with blankets and cooking utensils and evidently started with the intention of making a long trip.

The Potosi Branch train was thrown off the track by the spreading of the rails Bellin station last Friday evening. The passengers were jolted in considerable, but no one was much injured. Saturday morning main line train No. 33 in running in here met with the same fate at the same place. It would appear from this that some work on the track would not come.

The city and school election here Tuesday passed off without interest, all the candidates being unopposed. Burwell Fox was reelected County Superintendent of Schools, and E. M. Dearing and H. E. Blount as members of the Potosi school board. H. C. Bell was elected alderman in the first ward and John H. Swift in the second.

A larger oval and figure of the German eagle, facing the moon, "With God for the Kaiser and the Fatherland," embossed is framed in the helmet.
